Me

Place a picture of yourself here. Then, in the spaces below, write your birthdate and the census year in which you were first counted.

Repeat for each of your family members in the spaces provided.

Father

Name: _____

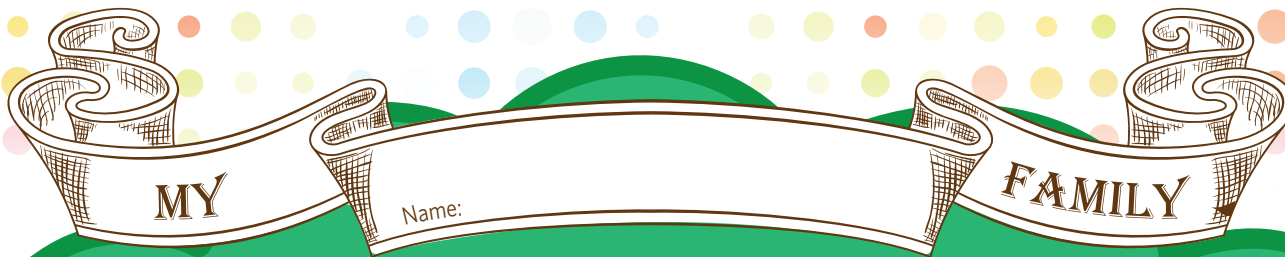

Birthdate: _____

First census: _____

Hint: A census is taken every 10 years in years ending in zero. Someone born in 1945 would first be counted in the 1950 Census. Anyone born after April 1 in a census year would not be counted until the next census.
